Mission Partners are congregation who are generous and step up to assist new and renewing  
missions in the synod. Many mission partners provide support through monthly noisy offerings  
and other monetary gifts. Others have special events, or provide financial support from their  
regular budget. In addition, mission partners pray for each other, visit each other, and share  
mission and ministry stories.

Thank you for your support in being partners in mission.

*Please fill out and return to the synod office either in paper form or electronic form*
