**Upcoming Stewardship Webinar:
“Practical Stewardship Tips Using Four Mindset Shifts”**

Generosity in the next generation invites us all to make a few mindset shifts, redirecting our thoughts to live into the sufficiency of God rather than becoming paralyzed in a mindset of scarcity. But have you ever wondered how to put theoretical ideas around stewardship into practice? Hosted by the churchwide organization’s Congregational Stewardship and Generosity team and the Lake Institute on Faith & Giving, this webinar for lay leaders and rostered leaders will delve into both the theory of stewardship and the practical application of these concepts as our church discerns the way forward in 2022. The webinar is free and open to all.
