

# ONE BODY MANY MEMBERS

What's in your bowl?

## Instructions

- Gather in groups of two or three people
- One person begins to answer questions below
- The other person summarizes what he or she heard the first person say
- Repeat the process until all people have had a chance to tell their story and hear what another heard

## Questions

- **Describe your culture** (in whatever way you define that) as it shaped your life and world view in your early years. What values guided your life?
- **Who were “your people” when you were growing up?** How did being a part of your family/group/community shape and form you?
- **Who were people on the outside of your group?** How did you become aware of them; how did you feel toward them; and what experiences influenced your feelings?
